
Smart Cybersecurity Strategy for Smart Cities

Timothy Lee

Chief Information Security Officer

Information Technology Agency, [City of Los Angeles](#)

ABSTRACT

In this digital age, the cyber threat landscape is evolving rapidly. We need a smart cyber defense strategy to protect a smart city against cyber threats. This presentation will cover the key elements of effective and future proof cybersecurity strategy, tactics, techniques, and real case examples of how to implement it successfully.

BIOGRAPHY

Timothy Lee is the Chief Information Security Officer at the City of Los Angeles. He is responsible for establishing and maintaining the enterprise vision, strategy and program to ensure information assets and technologies are adequately protected.
